

Hi Friends

I am pleased to be able to tell you that the cabin/ablution block upgrade here at Campbell Park Christian Camp was started at the end of July. The project is estimated to cost \$65,000 and is scheduled to be finished by mid September. Finance for this project will be funded by donations, camp savings and a short term loan.

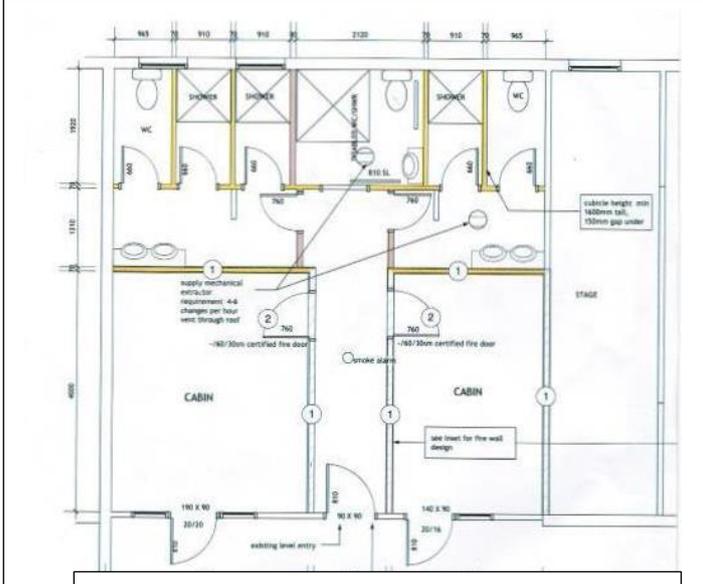

While the ablution block has been in urgent need of an upgrade, the additional cabins will give extra space for families, and increase the number of beds to 89.

A givealittle page has been set up, should you wish to contribute towards this worthy project: just google [givealittle Campbell Park Christian Camp](#) and follow the leads.

Thanks
Robyn
Campbell Park Christian Camp

Project: turn existing women's ablution & front part of roller shed into two new cabins. Turn existing men's ablution & back of roller shed into the new ablution block.

Plans include: wheelchair ablution, 2 showers & a toilet for women's area, and shower & toilet in the men's.

Old ablution
